

A vertical wooden door with a traditional panel design. The top section features a pointed arch window with a central square pane. Below the window is a horizontal mail slot. The lower portion of the door is composed of vertical stiles. On the right side, there is a black handle with a keyhole. A red diagonal banner is overlaid on the middle of the door.

Our Heritage premium door range,
opens 4th January 2011

Homesafe Doors, on behalf of grouphomesafe opens the door to our Heritage premium range.

As a UK manufacturer, all of our doors, including skins are manufactured in our Midlands based factory which allows us to maintain complete control in line with our distribution promises.

- Defined tongue and grooved true grain GRP skins to reflect the true appearance of cottage and stable composite doors.
- Unique premium door offer for differentiation against your competitors.
- A great alternative to a hardwood door. Innovative 'fusion' surface technology to provide oak or rosewood finish inside and out with traditional cast iron furniture.
- Patented glazing using our unique 'Flushglaze' System.
- 15 day delivery
- Every door Saracen Secure Guaranteed
